

**Grant County Historical Society**  
**Meeting Minutes- March 19, 2025**

**Membership Meeting**

Called to order at 6:15 pm by President Sarah. 14 members were present, including 3 officers.

Pledge of Allegiance was offered.

The minutes of the February 2025 meeting were offered. A spelling error was corrected. Minutes were approved as corrected. The financial report from February was offered. The checking account balance as of 2/28/25 was \$2300.49. Total assets were \$9194.45. Financial report was approved as presented.

**Business Meeting**

**Oral History Meeting**

Two members attended the oral history instruction meeting at the Madison County Historical Society meeting on 3/15. While there were several good take-aways, Sarah felt that we might attempt to schedule our own oral history workshop in the future. This might be helpful since we are still considering a new Grant County history book.

**County Project**

President Sarah states that Grant County has obtained a grant from the state office of Community & Rural Affairs to study future growth paths for the county. This would include land use, history /archelogy, and several other areas. There will be a public meeting on Thursday, 3/20/2025, at the fairgrounds. Sarah invited members to attend.

**Exhibit**

A temporary exhibit from the state historical society is coming in April. It is titled "From Pencils to Pixels- a History of Cartooning."

**Conclusion**

No further items were brought forward, and the meeting adjourned at 6:35 pm by President Sarah. Members reported to the Indiana History room for an hour's work on the preservation project. Our next meeting will be our annual dinner at the Tomahawk. Memberships may be renewed if not already completed.

Respectfully submitted,

Bob Miller, Secretary
